

Terms of One Day Membership For Event Organisers

One day membership (ODM) is a means by which participants who are not annual members of the sport contribute to the costs of running the sport of Triathlon. It also ensures they are covered by an appropriate level of insurance while they are participating in events.

The one day membership that is payable on entry to events is determined on the basis of the distance of the race. Unless otherwise agreed, the ODM is to be collected as part of the event entry process by the event organiser. Please see below for explanation of the charge required as part the event entry.

Any race which has been included on a sanctioning application is required to collect ODM's from participants. Event organisers are required to remit all ODM's within 14 days of the event taking place.

The categories and amount are listed on the online sanctioning system as;

Kids:	No charge
Enticer Distance:	\$1.50
Sprint Distance	\$5.00
Standard Distance	\$15.00
Long Distance	\$20.00
Iron Distance	\$25.00.

An event may have multiple races which would require the most appropriate option being selected for each race.

For clarity as to which of the above fees is applicable please refer to the following guidelines.

Classification Guidelines for Triathlons

The following descriptions are to give guidance to event organisers as to what level of ODM they should collect from participants who are not annual members of Triathlon Australia. After these descriptions there is a series of tables which cover other types of events sanctioned by Triathlon Australia.

When referring to the guidelines a tolerance is given for the cycle and run portion of events. One of these distances is permitted to be up to 10% above the distance stated. If a distance is more than 10% or more than one is above the distance stated then the next level of ODM is to be collected. It is the event organiser's responsibility to ensure they collect the correct amount of ODM as all races at an event will be payable against the following rules. ODM's are payable in alignment with the

following chart. All distances are subject to verification in the sanctioning process and by the technical delegate appointed to the event.

Kids

This is a race which is required be of a non-competitive nature. These are races are intended for children who are 11 years of age or younger as at the 31 December in the competition season. EG: the 2015-2016 season age is taken at 31st December 2015. A race which includes over 11 year olds can also be classified as “Kids” race providing it is **untimed** and designed to introduce children to the sport. Races which are **timed** or **placings** are given are not eligible for this category and should be classified according to the distance of the race below. The distances of these events should be within the ranges as stated in the Triathlon Australia Race Competition Rules (TARCR) - Appendix E.

Enticer

These races are designed to attract first timers and newcomers to the sport. They are to be run in welcoming supportive environment for people to experience the sport. The intent of these races is to create a learning environment and familiarise participants with the sport.

- Maximum Swim of 300 metres
- A Cycle up to a distance of 10km
- A Run up to a distance of 2km

One of the cycle and Run may be up to 10% above these limits

Sprint Distance

- Maximum Swim of 750 metres
 - Cycle of between 10km and 20km
 - Run of between 2km and 5km
- One of the Cycle and Run may be up to 10% above these limits

Standard Distance

- Swim of between 750 and 1500 metres.
 - Cycle of between 20km and 40km.
 - Run of between 5km and 10km.
- One of the Cycle and Run may be up to 10% above these limits

Long Distance

- Swim of between 1500 and 2000 metres
 - Cycle of between 40km and 90km
 - Run of 10km and 21km
- One of the cycle and Run may be up to 10% above these limits

Iron Distance

- Swim over 2000 metres
- Cycle over 90km
- Run over 21km

Triathlon Distance Table

	Total Swim	Total Bike	Total Run	Run Only	Swim Only
Kids	Appendix E TA RCR	Appendix E TA RCR	Appendix E TA RCR	Appendix E TA RCR	Appendix E TA RCR
Enticer	300	10	2	<=5km	<1000m
Sprint	750	20	5	>5 & <=10	1001m to 2000m
Standard	1500	40	10	>10	Over 2000m
Long	2000	90	21		
Iron	>2000	>90	>21		

Duathlon & Paddle Distance Table

	Total Run	Total Bike/Paddle
Enticer	<=5km	< =10km
Sprint	<=7.5km	<=20km
Standard	<=15km	<=40km
Long	>15km	>40km
Iron	NA	NA

Aquathlon

	Total Swim	Total Run
Enticer	<=500m	<=2.5km
Sprint	500m to750m	2.5km to 5km
Standard	>750m	>5km
Long	NA	NA
Iron	NA	NA

Please be aware that the tolerances as previously described apply across the run and cycle portion of all types of events.

Questions;

If an event organiser who is unclear as to what category their race falls into they should contact the National Manager Technical at technical@triathlon.org.au for a determination.
