

6 and 7 April 2019 Tinaburra Foreshore, Yungaburra

Expression of Interest – Provision of catering

Closing Date – COB Friday 22 March 2019

The Yungaburra Triathlon will be held on 6 and 7 April 2019 and will provide an opportunity for competitors to compete in a six event Triathlon on the picturesque foreshore of Lake Tinaroo. The Afghanistan Avenue of Honour at Tinaburra provides a fitting backdrop for competitors who help raise funds for Australian soldiers who are physically or psychologically wounded. In its fifth year, the Triathlon draws together competitors from across the local and state triathlon network to participate in this high quality event.

Tablelands Regional Council, in partnership with an organising committee, will again be organising and hosting this successful event.

Road closures will be in place Saturday afternoon and Sunday morning. It is a requirement that catering providers will arrive onsite before the road closures are to start and stay on site until the roads are reopened.

To have adequate options available for the community and to ensure participation from catering providers is worthwhile, a maximum of two food and two beverage suppliers will be appointed. We expect up to 2,000 competitors and spectators attending this event over the course of the weekend.

As the event is focused on health and wellness, catering providers are asked to consider healthy food and beverage options. An information sheet from the Healthy Eating Advisory Service '[Simple changes for healthier catering](#)' provides guidance around providing healthier choices. Preference will be given to local food providers and those providing healthy food options.

The Triathlon presents an excellent opportunity for catering providers to access a large Tablelands audience. There is no cost for catering providers to host a stall at the event. All food and beverage providers are required to be self-sufficient including own power source and water.

Please complete the Expression of Interest form below to register your interest.
